

Overview:

D/OPW | Digimura One one-piece Wallcovering

There are times where a no-join, one-piece wallcovering is the best solution and our Digimura One is the perfect solution for these projects. For vast, dark solid backgrounds that can be difficult to achieve with a drop-joined-product, one-piece can provide the answer.

Specifically produced in a roll-size that is perfect for the average contract interior ceiling height, Digimura One is designed specifically for this application in mind.

- EN 15102 - CE certified
- Fully fire rated for commercial interiors with no restrictions
- 100% polyester with PVC coating
- Soft satin finish
- Perfect for a wide range of printed design styles
- Paste the wall application
- Strippable (when used with the correct adhesive)

Applications:

Digimura One-piece wallcovering is the perfect choice for flat wall installation where a seamless finish is a must.

Compatibility:

This product has been tested for use with the following ink technologies;

Latex
UV-Curable

Usage and durability:

This product has been specifically designed for when a no-join, one-piece wallcovering is the best solution
