CHRISTMAS STANDEES

Christmas standees are a great way to decorate the festive area of a shop, brighten up an event or provide photo opportunities at a Christmas party. They can be printed and cut to custom sizes/shapes to match either a brand or a party theme.

5mm foamex is the most popular material to use because it is strong enough to stand independently with a backstrut, but light enough to handle.

Maximum Size 3m x 1.5m

Shapes cut to any shape with CNC

Backstruts Included with each standee
