

# Formulate Horizontal Curve Fabric Display

The formulate horizontal curve display is a modern twist on a pop up exhibition unit. Instead of hanging individual panels, the user slides a 1 piece graphic over the entire frame to produce a stunning full colour back wall.

## Key Points

- ♦ Full colour dye sublimation printed on 245gsm stretch fabric.
- ♦ Comes double sided as standard with the option of having different graphics either side.
- ♦ Graphics can be replaced after use increasing the lifetime value of the display.
- ♦ Made with lightweight aluminium which packs away into a fabric carry bag.
- ♦ Lights can be added as an optional extra
- ♦ 5 year warranty on the hardware
- ♦ Lead time of 3 - 5 working days.
