

# Christmas IllumiGo™ Freestanding Lightbox

The IllumiGo is an out-of-the-box backlit fabric frame. Completely tool-less and only requiring 1 person for assembly, this backlit frame can be assembled in less than 10 minutes. The graphics are supplied with a silicon edge sewn into the reverse so they can be quickly slotted into the frame channel. The electrical port is discreetly positioned underneath the unit so you can put multiple units side by side. Each frame is supplied with a travel box so it can be easily packed away and transported between events.

3 - 5 Working Days  
Lead Time

Dye Sublimation  
Printed

Single Size

270gsm Mambo  
Backlit Fabric
